

Don Bosco College of Engineering sign MOU with Bhatikar Model High School

Don Bosco College of Engineering, Fatorda, Goa in its ongoing endeavor to support NEP 2020 has spread its wings further by signing an MOU with Bhatikar Model High School, Margao for purpose of mentorship of teachers and students at the school in the domain of Coding, Prototyping, AI, and Robotics, through workshops and hands-on learning experiences. The collaboration broadly aims at mentorship of teachers of Mathematics, Sciences and Computational Science at the School, especially in subject knowledge and practical applications of fundamental principles, usage of AI and other emerging areas in the domain of teaching-learning and assessment.

The MOU was signed between Fr. Kinley D'Cruz, Director, Don Bosco College of Engineering, and Mr. Rajesh R. Bhatikar, Chairman, Bhatikar Model High School, on 14 July 2023 in the presence of the Principal, Dr. Neena Panandikar, DBCE and staff of DBCE as well as Bhatikar Model High School.
