NOTICE

SEMESTER FEE PAYMENT FOR UNDER GRADUATE & POST GRADUATE

This is for the information of all students that the semester fees paid by students serve as provisional admission fees for future enrollment till the declaration of Revaluation results. If a student receives a block after the revaluation results are declared, the fees paid will be carried forward and credited towards their future readmission. Alternatively, students may request a refund by submitting an application through the appropriate channel.

For more details meet the Assistant Account officer.
